AND THE

SENECAS, MIXED SENECA AND SHAWNEES, QUAPAWS, CONFEDERATED PEORIAS, KASKASKIAS, WEAS, AND PIANKESHAWS, OTTAWAS OF BLANCHARD'S FORK AND ROCHE DE BŒUF, AND CERTAIN WYANDOTTES.

---

CONCLUDED FEBRUARY 23, 1867.

AS RATIFIED BY THE PRESIDENT OCTOBER 14, 1868.

---

**ANDREW JOHNSON,**

PRESIDENT OF THE UNITED STATES OF AMERICA,

TO ALL AND SINGULAR TO WHOM THESE PRESENTS SHALL COME, GREETING:

Whereas a Treaty was made and concluded at the city of Washington, in the District of Columbia, on the twenty-third day of February, in the year of our Lord one thousand eight hundred and sixty-seven, by and between Lewis V. Bogy, William H. Watson, Thomas Murphy, George C. Snow, and G. A. Colton, Commissioners, on the part of the United States, and certain Chiefs, Delegates, and Headmen of the Senecas, mixed Senecas and Shawnees, Quapaws, confederated Peorias, Kaskaskias, Weas, and Piankeshaws, Miamies, Ottawas of Blanchard's Fork and Roche de Boëuf, and certain Wyandottes, on the part of said Indians, and duly authorized thereto by them, which Treaty is in the words and figures following, to wit:

Articles of Agreement concluded at Washington, D. C., the 23d day of February, 1867, between the United States, represented by Lewis V. Bogy, Commissioner of Indian Affairs, W. H. Watson, Special Commissioner, Thomas Murphy, Superintendent of Indian Affairs, George C. Snow, and G. A. Colton, U. S. Indian Agents, duly authorized, and the Senecas, represented by George Spicer and John Mush; the mixed Senecas and Shawnees, by John Whitetree, John Young, and Lewis Davis; the Quapaws, by S. G. Vallier and Ka-zhe-cah; the confederated Peorias, Kaskaskias, Weas, and Piankeshaws, by Baptiste Peoria, John Mitchell, and Edward Black; the Miamies, by Thomas Metosenyah and Thomas Richardville, and the Ottawas of Blanchard's Fork and Roche de Boëuf, by John White and J. T. Jones, and including certain Wyandott[e]s, represented by Tauromee, or John Hat, and John Karaho.

Whereas it is desirable that arrangements should be made by which portions of certain tribes, parties hereto, now residing in Kansas, should be enabled to remove to other lands in the Indian country south of that State, while other portions of said tribes desire to dissolve their tribal relations and become citizens; and whereas it is necessary to provide certain tribes, parties hereto, now residing in the Indian country, with means of rebuilding their houses, reopening their farms, and supporting their

families, they having been driven from their reservation early in the late war, and suffered greatly for several years, and being willing to sell a portion of their lands to procure such relief; and whereas a portion of the Wyandottes, parties to the treaty of 1855, although taking lands in severalty, have sold said lands and are still poor, and have not been compelled to become citizens, but have remained without clearly recognized organization, while others who did become citizens are unfitted for the responsibilities of citizenship; and whereas the Wyandottes, treated with in 1855, have just claims against the government, which will enable the portion of their people herein referred to to begin anew a tribal existence: Therefore it is agreed:

#### ARTICLE 1.

The Senecas cede to the United States a strip of land on the north side of their present reservation in the Indian country; the land so ceded to be bounded on the east by the State of Missouri, on the north by the north line of the reservation, on the west by the Neosho river, and running south for the necessary distance, to contain 20,000 acres; for which the government is to pay \$20,000 upon the ratification of this treaty; the south line of said tract to be ascertained by survey, at the cost of the United States.

#### ARTICLE 2.

The Senecas now confederated with the Shawnees, and owning an undivided half of a reservation in the Indian country immediately north of the Seneca reservation mentioned in the preceding article, cede to the United States one-half of said Seneca and Shawnee reserve, which it is mutually agreed shall be the north half, bounded on the east by the State of Missouri, north by the Quapaw reserve, west by the Neosho river, and south by an east and west line bisecting the present Seneca and Shawnee reserve into equal parts, the said line to be determined by survey, at the expense of the United States; for which tract of land, estimated to contain about 30,000 acres, the United States will pay the sum of \$24,000.

#### ARTICLE 3.

The Shawnees, heretofore confederated with the Senecas, cede to the United States that portion of their remaining lands, bounded as follows, beginning at a point where Spring river crosses the south line of the tract in the second article ceded to the United States, thence down said river to the south line of the Shawnee reserve, thence west to the Neosho river, thence up said river to the south line of the tract ceded in the second article, and thence east to the place of beginning; supposed to contain about 12,000 acres, the area to be ascertained by survey, at the expense of the United States; the United States to pay for the same at the rate of one dollar per acre, as soon as the area shall be ascertained.

#### ARTICLE 4.

The Quapaws cede to the United States that portion of their land lying in the State of Kansas, being a strip of land on the north line of their reservation, about one-half mile in width and containing about twelve sections in all, excepting therefrom one half section to be patented to Samuel G. Vallier, including his improvements. Also the further tract within their present reserve, bounded as follows: Beginning at a point in the Neosho river where the south line of the Quapaw reserve strikes that

stream, thence east three miles, thence north to the Kansas boundary line, thence west on said line to the Neosho river, thence down said river to the place of beginning; and the United States will pay to the Quapaws for the half mile strip lying in Kansas at the rate of one dollar and twenty-five cents per acre, whenever the area of the same shall be ascertained; and for the other tract described in this article at the rate of one dollar and fifteen cents per acre, whenever the area of the same shall be ascertained by survey, said survey to be made at the cost of the tribe to which said tract is herein provided to be sold under the pre-emption laws of the United States; but all such pre-emption shall be paid in the money of the United States, at the proper land office, within one year from the date of entry and settlement.

#### PROVISIONS RELATING TO THE SENECA.

##### ARTICLE 5.

The Senecas now confederated with the Shawnees, the said Shawnees thereto consenting, agree to dissolve their connection with the said Shawnees, and to unite with the Senecas, parties to the treaty of February 28, 1831, upon their reservation described in article second of said treaty; and the several bands of Senecas will unite their funds into one common fund for the benefit of the whole tribe; and an equitable division shall be made of all funds or annuities now held in common by the Senecas and Shawnees.

##### ARTICLE 6.

Of the sum of \$24,000 to be paid to the Senecas, as provided in the second article, the sum of four thousand dollars shall be paid to them immediately after the ratification of this treaty, to enable them to re-establish their homes and provide themselves with agricultural implements, seed, and provisions for themselves and their families; and the balance of the said first-mentioned sum, being twenty thousand dollars, shall be consolidated with the twenty thousand dollars in the first article provided to be paid, and invested for the tribe of Senecas, as constituted by this treaty, at five per cent. interest, to be paid per capita semi-annually; and their annuity of five hundred dollars in specie, provided by article four of the treaty of Sept. 29, 1817, shall likewise become the common property of the tribe.

##### ARTICLE 7.

The amount annually due the Senecas under the provisions of article four of the treaty of February 28, 1831, for blacksmith, after their separation from the Shawnees, shall be annually paid to them as a national fund, to enable them to purchase such articles for their wants and improvements in agriculture as the chiefs, with the consent of their agent, may designate; and this provision shall apply also to the fund for support of a miller belonging to the Senecas heretofore occupying the southernmost reserve referred to in this treaty; and there shall be added to the said fund whatever amount belonging to either band of the Senecas shall be found due and unpaid upon an examination of their accounts with the government, and particularly the amount of bonds and stocks invested in their name; and the interest thereon shall be annually paid to the said Senecas for the purposes mentioned in this article.

## PROVISIONS RELATING TO THE SHAWNEES.

## ARTICLE 8.

Of the amount in the third article provided to be paid to the Shawnees by the United States for the lands therein ceded, the sum of two thousand dollars shall be advanced to them to be used in establishing their homes, and the balance of the said amount shall be invested for the said tribe, under the name of Eastern Shawnees, and five per cent. be paid semi-annually thereon; and the amount due and unpaid upon the bonds or stocks invested in their name shall be paid to them, as well as the interest thereon hereafter to become due, to be used under the direction of the chiefs, with the consent of the agent, for the purchase of agricultural implements or other articles necessary for the general welfare of the people; and the one-half of the blacksmith fund remaining after the division to be made with the Senecas provided for in article five shall remain devoted to the same purpose, and the government will add thereto the sum of five hundred dollars annually for five years.

## PROVISIONS RELATING TO THE QUAPAWS.

## ARTICLE 9.

Of the amount to be paid to the Quapaws for the lands ceded by them in the fourth article of this treaty, the sum of five thousand dollars shall be paid to them upon the ratification of this treaty, to assist them in re-establishing themselves at their homes upon their remaining reservation; and the balance of said amount shall be invested as a permanent fund at five per cent. interest, payable per capita semi-annually.

## ARTICLE 10.

If the Osage mission school should be closed, so that the school fund of the Quapaws cannot be used for them to advantage at that institution, the said fund shall remain in the treasury of the United States until such time as it can, under the direction of the Secretary of the Interior, with the consent of the chiefs, be used to advantage in establishing a school upon their reservation.

## ARTICLE 11.

The amount now due and unpaid for a farmer, under the provisions of the third article of their treaty of May 13, 1838, may be used by the chiefs and council for the purchase of provisions, farming implements, seed, and otherwise for the purpose of assisting the people in agriculture; and their annual income now paid for farmer shall hereafter be set apart for the purposes of assistance and improvement in agriculture.

## CLAIMS FOR LOSSES BY THE WAR.

## ARTICLE 12.

Whereas the aforesaid Senecas, mixed Senecas and Shawnees, and Quapaws were driven from their homes during the late war, and their property destroyed, it is agreed that a commission of not to exceed two persons shall be appointed by the Secretary of the Interior, who shall proceed to their country and make careful investigation of their claims for losses, and make full report of the same to the department; and the Secretary of the Interior shall report the same to Congress.

## PROVISIONS IN RELATION TO THE WYANDOTTES.

## ARTICLE 13.

The United States will set apart for the Wyandottes, for their future home, the land ceded by the Senecas in the first article hereof, and described in said article, to be owned by the said Wyandottes in common; *and the Secretary of the Interior is hereby authorized and required to appoint three persons whose duty it shall be to ascertain and report to the Department the amount of money, if any, due by the United States to the Wyandott[e] Indians under existing treaty stipulations, and the items mentioned in schedule A, appended to this treaty, and the report of the persons so appointed, with the evidence taken, shall be submitted to Congress for action at its next session.* A register of the whole people, resident in Kansas and elsewhere, shall be taken by the agent of the Delawares, under the direction of the Secretary of the Interior, on or before the first of July, 1867, which shall show the names of all who declare their desire to be and remain Indians, and in a tribal condition, together with incompetents and orphans, as described in the treaty of 1855; and all such persons, and those only, shall hereafter constitute the tribe: *Provided*, That no one who has heretofore consented to become a citizen, nor the wife or children of any such person, shall be allowed to become members of the tribe, except by the free consent of the tribe after its new organization, and unless the agent shall certify that such party is, through poverty or incapacity, unfit to continue in the exercise of the responsibilities of citizenship of the United States, and likely to become a public charge.

## ARTICLE 14.

Whenever the register in the next preceding article shall have been completed and returned to the Commissioner of Indian Affairs, the amount of money in said article acknowledged to be due to the Wyandott[e]s shall be divided, and that portion equitably due to the citizens of said people shall be paid to them, or their heirs, under the direction of the Secretary of the Interior; and the balance, after deducting the cost of the land purchased from the Senecas by the first article hereof, and the sum of \$5,000 to enable the Wyandott[e]s to establish themselves in their new homes, shall be paid to the Wyandott[e] tribe per capita.

## ARTICLE 15.

All restrictions upon the sale of lands assigned and patented to "incompetent" Wyandott[e]s, under the 4th article of the treaty of 1855, shall be removed after the ratification of this treaty, but no sale of lands heretofore assigned to orphans or incompetents shall be made, under decree of any court, or otherwise, for or on account of any claim, judgment, execution or order, or for taxes, until voluntarily sold by the patentee or his or her heirs, with the approval of the Secretary of the Interior; and whereas many sales of land belonging to this class have heretofore been made, contrary to the spirit and intent of the treaty of 1855, it is agreed that a thorough examination and report shall be made, under direction of the Secretary of the Interior, in order to ascertain the facts relating to all such cases, and upon a full examination of such report, and hearing of the parties interested, the said Secretary may confirm the said sales, or require an additional amount to be paid, or declare such sales entirely void, as the very right of the several cases may require.

## PROVISIONS RELATING TO THE OTTAWAS.

## ARTICLE 16.

The west part of the Shawnee reservation, ceded to the United States by the third article, is hereby sold to the Ottawas at \$1.00 per acre; and for the purpose of paying for said reservation the United States shall take the necessary amount, whenever the area of such land shall be found by actual survey, from the funds in the hands of the government arising from the sale of the Ottawa trust lands, as provided in the 9th article of the treaty of 1862, and the balance of said fund, after the payment of accounts provided for in article 5 of the treaty of 1862, shall be paid to the tribe per capita.

## ARTICLE 17.

The provisions of the Ottawa treaty of 1862, under which all the tribe were to become citizens upon the 16th of July, 1867, are hereby extended for two years, or until July 16th, 1869; but at any time previous to that date any member of the tribe may appear before the U. S. district court for Kansas, and declare his intentions to become a citizen, when he shall receive a certificate of citizenship, which shall include his family, and thereafter be disconnected with the tribe, and shall be entitled to his proportion of the tribal fund; and all who shall not have made such declaration previous to the last-mentioned date, shall be still considered members of the tribe. In order to enable the tribe to dispose of their property in Kansas, and remove to their new homes and establish themselves thereon, patents in fee-simple shall be given to the heads of families, and to all who have come of age among the allottees under the treaties of 1862, so that they may sell their lands without restriction, but the said lands shall remain exempt from taxation so long as they may be retained by members of the tribe, down to the said 16th July, 1869; and the chiefs and council of the said tribe shall decide in the case of disputed heirship to real estate, taking as a rule the laws of inheritance of the State of Kansas.

## ARTICLE 18.

The United States agree to pay the claim of J. T. Jones, for which a bill of appropriation has passed one of the branches of Congress, but which has been withdrawn from before Congress, being for destruction by fire of his dwelling and other property by whites in 1856, shall be allowed and paid to him, amounting to \$6,700.

## ARTICLE 19.

The 6th article of the treaty of 1862 shall remain unchanged, except as provided in this article. The children of the tribe between the ages of six and eighteen (6 and 18) shall be entitled to be received at said institution, and to be subsisted, clothed, educated, and attended in sickness, where the sickness is of such a nature that the patient promises a return to study within a reasonable period; the children to be taught and practiced in industrial pursuits, suitable to their age and sex, and both sexes in such branches of learning, and to receive such advantages as the means of the institution will permit; these rights and privileges to continue so long as any children of the tribe shall present themselves for their exercise. And the Secretary of the Interior and the senior corresponding secretary of the American Baptist Home Mission

Society shall be members ex officio of the board of trustees, with power to vote in person or by proxy, it being the special intention of this provision to furnish additional supervision of the institution, so that the provisions of this article may be carried into effect in their full spirit and intent.

#### ARTICLE 20.

It is further agreed that the remaining unsold portion of trust lands of the Ottawas, amounting to  $7,221\frac{20}{100}$  acres, shall be sold to the trustees of Ottawa University, to be disposed of for the benefit of said institution at the appraised value thereof, and that the said trustees shall have until July 16th, 1869, to dispose of the same and pay to the government the value of said lands: *Provided*, That the said trustees shall furnish, within 30 days after the ratification of this treaty, to the Secretary of the Interior, a satisfactory bond for the fulfilment of their obligations.

#### PROVISIONS RELATING TO THE PEORIAS, KASKASKIAS, WEAS, AND PIANKESHAWES.

#### ARTICLE 21.

Whereas certain arrangements have been made by the chiefs of the confederated tribes of Peorias, Kaskaskias, Weas, and Piankeshaws, for the sale to actual settlers of the lands held by them in common, being  $9\frac{1}{2}$  sections, for a reasonable consideration, according to the terms of a certain petition of the said tribe, with schedule annexed, (which schedule is annexed to this treaty and marked "B,") dated December 26th, 1866, filed in the office of the Commissioner of Indian Affairs, it is agreed that the said arrangements shall be carried into full effect, and the purchasers thereunder shall receive patents from the United States for the lands so purchased, upon making full payment for the same to the Secretary of the Interior, and the amount already paid by said purchasers, as appears from said schedule, and in the hands of the chiefs, shall be paid to the Secy. of the Interior, and the whole amount of the purchase money shall also be paid to the said Secy. on or before the 1st day of June, 1867, and shall be held by him for the benefit of the tribe, subject to the provisions of this treaty.

#### ARTICLE 22.

The land in the second and fourth articles of this treaty proposed to be purchased from the Senecas and Quapaws, and lying south of Kansas, is hereby granted and sold to the Peorias, &c., and shall be paid for at the rate paid for the same by the government, out of the proceeds of the nine and a half sections referred to in the last preceding article, adding thereto whatever may be necessary out of other moneys in the hands of the United States belonging to the said Peorias, &c.

#### ARTICLE 23.

The said Indians agree to dispose of their allotments in Kansas and remove to their new homes in the Indian country within two years from the ratification of this treaty; and to that end the Secretary of the Interior is authorized to remove altogether the restrictions upon the sales of their lands, provided under authority of the 3d article of the treaty of May 30, 1854, in such manner that adult Indians may sell their own lands, and that the lands of minors and incompetents may be sold by the

chiefs, with the consent of the agent, certified to the Secretary of the Interior and approved by him. And if there should be any allotments for which no owner or heir thereof survives, the chiefs may convey the same by deed, the purchase money thereof to be applied, under the direction of the Secretary, to the benefit of the tribe; and the guardianship of orphan children shall remain in the hands of the chiefs of the tribe, and the said chiefs shall have the exclusive right to determine who are members of the tribe, and entitled to be placed upon the pay-rolls.

#### ARTICLE 24.

An examination shall be made of the books of the Indian office, and an account current prepared, stating the condition of their funds, and the representations of the Indians for overcharges for sales of their lands in 1857-'8 shall be examined, and reported to Congress; and in order further to assist them in preparing for removal and in paying their debts, the further amount of \$25,000 shall be at the same time paid to them per capita from the sum of \$169,686 75, invested for said Indians under the act of Congress of July 12, 1862; and the balance of said sum of \$169,686 75, together with the sum of 98,000 now invested on behalf of the said Indians, in State stocks, of southern States, and the sum of \$3,700 00 being the balance of interest, at 5 per cent. per annum, on \$39,950 held by the United States from July, 1857, till vested in Kansas bonds in December, 1861, after crediting \$5,000 thereon heretofore receipted for by the chiefs of said Indians, shall be and remain as the permanent fund of the said tribe, and five per cent. be paid semi-annually thereon, per capita, to the tribe; and the interest due upon the sum of \$28,500 in Kansas bonds, and upon \$16,200 in U. S. stocks, now held for their benefit, shall be paid to the tribe semi-annually in two equal payments as a permanent school fund income: *Provided*, That there shall be taken from the said invested fund and paid to the said tribe, per capita, on the 1st of July, 1868, the sum of \$30,000 to assist them in establishing themselves upon their new homes; and at any time thereafter, when the chiefs shall represent to the satisfaction of the Secretary of the Interior that an additional sum is necessary, such sum may be taken from their invested fund: *And provided also*, That the said invested fund shall be subject to such division and diminution as may be found necessary in order to pay those who may become citizens their share of the funds of the tribe.

#### ARTICLE 25.

Whereas taxes have been levied by the authority of the State of Kansas upon lands allotted to members of the tribe, the right and justice of which taxation is not acknowledged by the Indians, and on which account they have suffered great vexation and expense, and which is now a matter in question in the Supreme Court of the United States, it is agreed that, in case that court shall decide such taxes unlawful, the government will take measures to secure the refunding of said taxes to such of the Indians as have paid them.

#### ARTICLE 26.

The Peorias, Kaskaskias, Weas, and Piankeshaws agree that the Miamies may be confederated with them upon their new reservation, and own an undivided right in said reservation in proportion to the sum paid, upon the payment by the said Miamies of an amount which, in proportion to the number of the Miamies who shall join them,

will be equal to their share of the purchase-money in this treaty provided to be paid for the land, and also upon the payment into the common fund of such amount as shall make them equal in annuities to the said Peorias, &c., the said privilege to remain open to the Miamies two years from the ratification of this treaty.

ARTICLE 27.

The United States agree to pay the said Indians the sum of \$1,500 per year for six years for their blacksmith, and for necessary iron and steel and tools; in consideration of which payment the said tribe hereby relinquish all claims for damages and losses during the late war, and, at the end of the said six years, any tools or materials remaining shall be the property of the tribe.

ARTICLE 28.

Inasmuch as there may be those among them who may desire to remain in Kansas and become citizens of the United States, it is hereby provided that, within six months after the ratification of this treaty, a register shall be taken by the agent, which shall show the names separately of all who voluntarily desire to remove, and all who desire to remain and become citizens; and those who shall elect to remain may appear before the judge of the U. S. district court for Kansas and make declaration of their intention to become citizens, and take the oath to support the Constitution of the United States; and upon filing of a certificate of such declaration and oath in the office of the Commissioner of Indian Affairs they shall be entitled to receive the proportionate share of themselves and their children in the invested funds and other common property of the tribe; and therefrom they and their children shall become citizens, and have no further rights in the tribe; and all the females who are heads of families and single women of full age shall have the right to make such declaration and become disconnected from the tribe.

ARTICLE 40.

If any amendment shall be made to this treaty by the Senate, it shall only be necessary to submit the same for the assent of the particular tribe or tribes interested; and should any such amendments be made, and the assent of the tribe or tribes interested not be obtained, the remainder of the treaty not affected by such amendment shall nevertheless take effect and be in force.

He takes said 120 acres in full of the interest of his family in net proceeds of the reserve, and is to pay one hundred and sixty dollars (\$160) besides.

Said Shields, Cott, and Dagenett take their respective tracts at the price stated, in lieu of a like sum of the shares of themselves and families in the net proceeds of the reserve; provided, that should the share of either family in the net proceeds of the reserve be less than the price agreed for the land taken by the head of such family, then the deficit to be paid in money as by other settlers. The title in each of the four cases last mentioned to be made jointly to the various members of the family by name, whose shares in said proceeds pay for same.
